Complete Price List 2026.2

Price valid from: November 1st, 2026

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
1.		**TMxCore**	
230013NR		**TMxCore AES16** Professional audio metering platform with digital AES3 format inputs and outputs (D-Sub 25 connectors) and DisplayPort output for direct connection to any monitor. Ideal for facilities with baseband workflows, TMxCore combines the proven TouchMonitor concept with powerful new capabilities for loudness, compliance, and advanced metering. Core functionality covers comprehensive tools for loudness, phase, frequency, comparison, and level monitoring, along with a Network Display accessible via any standard web browser. Additional licenses unlock Immersive Audio Instruments, the Dialog Intelligibility Meter powered by Fraunhofer AI technology, and up to three additional Network Display screens for extended visibility. Includes Power Supply and 19” Rack-mount kit.	7.990,00

Complete Price List 2026.2

Price valid from: November 1st, 2026

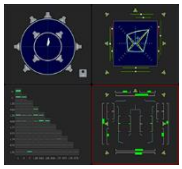

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
230017NR		**TMxCore Dante** Professional audio metering platform with 32 channel Dante® AoIP connectivity via dedicated primary and secondary RJ-45 connectors and DisplayPort output for direct connection to any monitor, ideal for broadcast, post-production, and live applications. Built on the TouchMonitor legacy, TMxCore delivers reliable loudness and compliance monitoring, advanced metering instruments, and flexible view design. Core functionality covers comprehensive tools for loudness, phase, frequency, comparison, and level monitoring, along with a Network Display accessible via any standard web browser. Additional licenses unlock Immersive Audio Instruments, the Dialog Intelligibility Meter powered by Fraunhofer AI technology, and up to three additional Network Display screens for extended visibility. Includes Power Supply and 19” Rack-mount kit.	8.990,00
230018NR		**TMxCore Ravenna** Professional audio metering platform with 32 channel Ravenna®/AES67/ST 2110 connectivity via dedicated primary and secondary RJ-45 connectors and DisplayPort output for direct connection to any monitor, ideal for modern IP-based production environments. Combining next-generation processing power with trusted TouchMonitor metering concepts, TMxCore ensures reliability and flexibility in broadcast and post-production workflows. Core functionality covers comprehensive tools for loudness, phase, frequency, comparison, and level monitoring, along with a Network Display accessible via any standard web browser. Additional licenses unlock Immersive Audio Instruments, the Dialog Intelligibility Meter powered by Fraunhofer AI technology, and up to three additional Network Display screens for extended visibility. Includes Power Supply and 19” Rack-mount kit.	8.990,00

Complete Price List 2026.2

Price valid from: November 1st, 2026

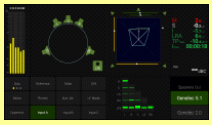

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
2.		**Licenses for TMxCore**	
SW23010		**Surround & Immersive Instruments** Unlocks metering instruments for surround and immersive formats. Includes the Immersive Sound Analyzer, MatrixCorrelator, MultiCorrelator, and Polarscope, giving engineers detailed insight into spatial balance, correlation, and immersive mix quality. Ideal for broadcast, post-production, and streaming workflows handling multi-channel and immersive content.	995,00
SW23020		**Dialog Intelligibility Instruments** Unlocks the AI-powered Dialog Intelligibility Meter, developed with Fraunhofer IDMT. Provides an objective measurement of how clearly dialogue is perceived, helping engineers maintain dialog clarity across film, TV, streaming, and live content.	995,00
SW23030		**Network Display: Additonal Screen 1** Adds an additional virtual metering screen for TMxCore, accessible via any standard web browser. Each screen provides its own configurable screen format with independent views, ratio, resolution, and orientation. Up to three licenses can be added, expanding metering across multiple screens and locations for remote production, multiview monitoring, and flexible workflows.	995,00
SW23031		**Network Display: Additonal Screen 2** Adds an additional virtual metering screen for TMxCore, accessible via any standard web browser. Each screen provides its own configurable screen format with independent views, ratio, resolution, and orientation. Up to three licenses can be added, expanding metering across multiple screens and locations for remote production, multiview monitoring, and flexible workflows.	995,00

Complete Price List 2026.2

Price valid from: November 1st, 2026

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
SW23032		**Network Display: Additonal Screen 3** Adds an additional virtual metering screen for TMxCore, accessible via any standard web browser. Each screen provides its own configurable screen format with independent views, ratio, resolution, and orientation. Up to three licenses can be added, expanding metering across multiple screens and locations for remote production, multiview monitoring, and flexible workflows.	995,00
SW23040		**External Logging & Integration** Enables integration with external monitoring, logging, and control systems. Includes support for Prometheus, Grafana, LAWO HOME, and NMOS IS-07. Facilitates system monitoring, automation, and seamless integration into existing workflows. Ideal for broadcast facilities, production environments, and large-scale installations.	995,00
SW23050		**Monitor Control** Unlocks advanced monitor control capabilities for TMxCore. Includes source selection, volume control, mute, dim, bass management, and speaker calibration with per-speaker level, delay, polarity, and 8-band EQ. Provides precise control and calibration of multichannel and immersive monitoring systems. Ideal for broadcast, post-production, and professional audio production environments.	995,00

3. TouchMonitor 5

220517NT		**TouchMonitor 5 Dante** Advanced loudness meter for Dante®-based audio networks. This user-customizable, tabletop device features a 5” touch display and supports 16 Dante® channels for stereo, surround, and immersive audio formats, including 5.1 and 7.1.4 configurations. It offers an extensive feature set, including RTA, Vectorscope, PPM, True-peak, Loudness, LRA, Chart, and Moving Coil displays. **Please note:** PoE power injector not included.	2.530,00

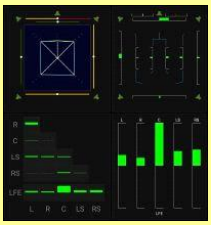

Complete Price List 2026.2

Price valid from: November 1st, 2026

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
220518NT		**TouchMonitor 5 Ravenna** Advanced loudness meter for RAVENNA®-based audio networks. This user-customizable, tabletop device features a 5” touch display and supports 16 RAVENNA®/AES67/ST 2110 channels for stereo, surround, and immersive audio formats, including 5.1 and 7.1.4 configurations. It offers an extensive feature set, including RTA Vectorscope, PPM, True-peak, Loudness, LRA, Chart, and Moving Coil displays. **Please note:** PoE power injector not included.	2.530,00

4. License for TouchMonitor 5

SW22015		**Surround & Immersive Instruments** Unlocks advanced metering instruments for surround and immersive audio formats on the Compact Line. Includes the Immersive Sound Analyzer, MatrixCorrelator, and MultiCorrelator, providing detailed insight into spatial balance, channel correlation, and immersive mix quality. Ideal for broadcast, post-production, and streaming workflows handling multichannel and immersive audio.	495,00

Complete Price List 2026.2

Price valid from: November 1st, 2026

New products and changes are highlighted in the following list.

Order no.		Description	EURO ex. VAT
SW22030		**Network Display** Enables metering display via any standard web browser. The browser-based screen uses the same screen format as the device, but can show a different view than the built-in display. Ideal for remote monitoring or extending visibility to additional locations without adding extra hardware.	495,00
SW22040		**External Logging & Integration** Enables integration with external monitoring, logging, and control systems. Includes support for Prometheus, Grafana, LAWO HOME, and NMOS IS-07. Facilitates system monitoring, automation, and seamless integration into existing workflows. Ideal for broadcast facilities, production environments, and large-scale installations.	495,00

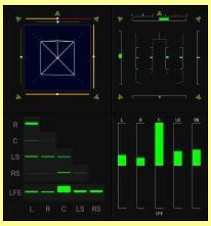

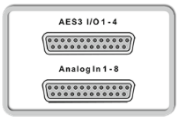

5. TouchControl 5

320517ND		**TouchControl 5 Dante** Dante® based immersive monitor controller with metering. User customizable table-top device with 5” touch display and 32 Dante®-channels for stereo- surround and -immersive speaker formats including 5.1 and 7.1.4. Comprehensive feature set with speaker calibration, SPL measurement and bass management as well as an RTW precision metering section as in TouchMonitor 5. Toolbox with independent leveling, talkback and Intercom. **Please note:** PoE power injector not included.	3.105,00
320518ND		**TouchControl 5 Ravenna** RAVENNA® based immersive monitor controller with metering. User customizable table-top device with 5” touch display and 32 RAVENNA®/AES67/ST 2110-channels for stereo-surround and -immersive speaker formats including 5.1 and 7.1.4. Comprehensive feature set with speaker calibration, SPL measurement and bass management as well as an RTW precision metering section as in TouchMonitor 5. Toolbox with independent leveling, talkback and Intercom. **Please note:** PoE power injector not included.	3.105,00
